

PARK INFORMATION:

Date: Wednesday May 23rd, 2018

Rides will be available from approximately 10 am-3 pm. Ride tickets will need to be purchased

Bay Beach will have as many rides open as possible, some of them that are in the curriculum booklet are:

Scrambler, Merry-go-Round, Zippin Pippin, Yo-Yo, Bumper Cars, Scat, Tilt-A-Whirl, Train, and Ferris Wheel.

Picnic Shelters are available to rent for groups to use as a meeting location. Shelter rental fees start at \$140 and may be reserved by calling 920-448-3365 from 8 am-4:30 pm

First Aid is available at any concession stand.

1313 Bay Beach Road

Bay Beach Amusement Park's 6th Annual STEM Day

Green Bay Parks,
Recreation, and Forestry
Department

The Days Events

While observing and riding our rides; students will be able to experience Newton's Laws of Motion, Momentum, and Energy Transformations as well as the dynamics of physics that make amusement park rides fun.

Our hope is that students will become engaged in the fields of Science, Technology, Engineering, and Math to perhaps pursue careers in these important and challenging fields one day.

TEACHER INFORMATION:

Teachers will be responsible for:

- Purchasing ride tickets.
- Coordinating transportation and/or fees for their students to get to and from Bay Beach Amusement Park.
- Sharing and leading curriculum with their students as it pertains to their individual classes. Bay Beach staff will be available to answer basic operation questions pertaining to a particular ride. We recommend dividing students into groups and assigning a selected number of rides and not the entire group of rides.

- Ensuring their students have all the necessary materials needed to complete their projects
- Bringing lunches, or money to purchase snacks from a limited Bay Beach menu
- Providing chaperones and adequate supervision
